**Privacy Policy**

Datum will process your personal information to administer the employment and/or contractual relationship with you. We may collect, use, and transfer your personal information through automated and/or paper-based data processing systems.

Datum has established routine processing functions (such as processing for regular payroll and benefits administration) and will also process personal information on an occasional or ad hoc basis (such as when an employee is being considered for a particular new position or in the context of changes to marital status for example).
